Nuts NEWS

Hi Frankie and Chloe! Merry Christmas! What are you hoping to open on Christmas Day?

Frankie: Make-up! Just get some vouchers from a good make-up place and I can go and get it myself.

Chloe: Oh my God, I hate opening presents. I have a proper phobia about it.

Really? A phobia about opening presents? How queer!

Chloe: I can't open any gift in front of anyone. My face feels red, I can feel my heart pumping and I get so anxious I can barely speak. I have to ask people to leave the present in a corner and I'll open it later.

Are your Christmases boozy?

Chloe: I get drunk on two mojitos!

Frankie: Last year, me, Chloe and Lauren Pope went out on Christmas Eve. Chloe broke her finger when someone shut a door on it and we were panicking her Christmas would be ruined!

Chloe: Then New Year we were supposed to be going clubbing in London but the traffic was so bad we missed the countdown. We ended up drinking shots of Amaretto in an underground car park!

What's an Essex-style Christmas like?

Frankie: We spend most of it in the car. Visiting relatives and dropping in on people. Once that's done we sit around and play kalooki. It's a card game like rummy.

Chloe: I eat until I'm sick! I have my dinner at my dad's, then dessert – cake and pudding with double cream – then I'll go back to my house and have turkey and stuffing sandwiches with crisps and chocs in front of the TV.

Phew! Do you have any hints for blokes buying underwear for girls this Christmas?

Chloe: No! I hate being bought underwear! It's just a gift for ►

CHLOE

Somewhere in the Arctic, a polar bear had very cold testicles

blokes, really, isn't it? Also, guys always buy festive stuff that you can only wear that month.

Frankie: Get her sizes and buy it online. You don't have to get all hot and flustered picking it in the shop and you can also see what it looks like in a photo. Also, if you're lucky, they might send it gift-wrapped already for you.

Chloe, how are your bum implants now?

Chloe: I didn't have bum implants! They weren't legal over here so instead I had fat taken from another part of my body and put into my bum to give it more lift. It's all gone back to normal now – I have the same old bum I had before.

Chloe, what do you think of Frankie's new boobs?

Chloe: They're massive and they look lovely because they aren't hard – they move really well. I had a little squeeze to check them out.

Frankie: I'm so much more confident. I can't stop looking at them and touching them!

Chloe, did you give Frankie any advice about her new boobs?

Chloe: Yeah, she was asking me, "Is this normal?" and, "Is it supposed to hurt this much?" I've had two procedures and while I now have boobs – which is a bonus! – I wish they were more natural and less solid looking. I've got boob envy!

Frankie, are you enjoying shopping for new bras?

Frankie: I'm an EE cup now and I love it! I love Kelly Brook's range but I'm finding it hard to get really pretty, nice bras for big boobs, though.

What's your favourite sexy Christmas outfit?

Frankie: A slouchy tracksuit.

Chloe: I don't have anyone to show one off to. I'd wear a sexy skirt and some heels for the right man. As it is, I'll be wearing a reindeer jumper – the reindeer even has big eyelashes on, Essex-style! ❌

THE START!

Bad day at the office! Lara's ship hits trouble in Japan's "Dragon's Triangle". Cue blockbuster shipwreck, Lara being washed ashore and then knocked out and strung up like a bit of meat.

"See? Told you those candles were too close to the curtains"

Tomb Raider: the first hour!

Nuts got a wee go on the latest version!

A FRANCHISE reboot is a tricky thing. Balancing

a new direction without bed-wetting fans whining that you've changed too much isn't easy. So we were dead curious to see if developer Square Enix could pull off this all-new prequel/origins story. After getting hands-on with the first hour and a bit, we reckon so. You'll find out in March.

10 MINUTES IN!

Puzzle time! After setting her bindings alight, Lara has to escape her cavey prison by solving more puzzles, jumping on platforms to release flammable crates which blow up explosive barrels.

Alton Towers' new ghost train didn't pass Health & Safety

20 MINUTES IN!

A-hunting she will go! Grabbing a bow from an icky body dangling from a tree, Lara then catches deer dinner, learning bow and arrow skills. Weapons can be upgraded with the right materials.

The credit crunch was really starting to bite at Butlins

"Mmm... tastes like chicken!"

30 MINUTES IN!

Wolves! Inconveniently, Lara steps into a trap just as a pack of wolves attack. In a tense exchange, she has to shoot the animals with her bow, mid-jump. Miss and it's a grisly cut scene and death.

"Bugger. I *did* leave the iron on!"

40 MINUTES IN!

Back together! Lara stumbles upon her crew and spends a quiet minute by the camp fire – where she can upgrade her abilities by spending skill points earned through her actions in the wild.

50 MINUTES IN!

Her first kill! A gang of surly Russian-speaking baddies now take the crew hostage and kill them indiscriminately. Lara's caught, has a struggle then offs one with his own gun. She's now a killer.

The final moments of the 2012 Hide-And-Seek Championship were tense

Verdict

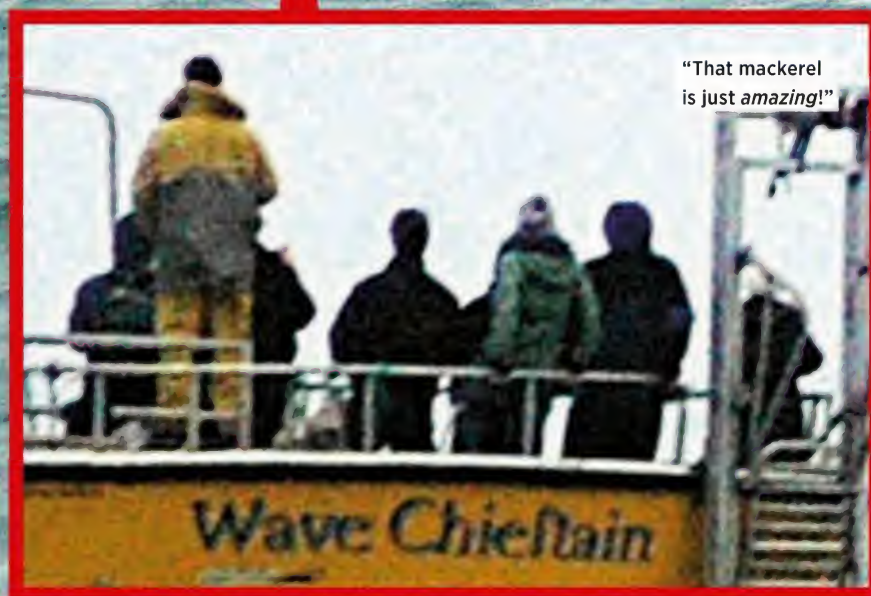

If the whole game's as compelling and taut as the first hour, *Tomb Raider* will be exemplary. We had to be rugby tackled to get the controller back. It's that good.

He's behind you!

Whale makes fools of silly watchers!

WE COULD hardly say we're experts on the technicalities of whale watching, but we're fairly sure that looking in the right direction is a biggie. So it's with a joyous wink we present this picture of a 45ft humpback leaping out of the water off Baltimore in West Cork, Ireland, just yards behind a boat load of tourists who've presumably paid good money to see this sort of thing. But sadly, are looking in entirely the wrong direction. They probably heard the splash, turned and missed a great white taking a unicorn while a dragon surfed past, on the other side of the boat.

OVER HERE!

"Sod you then -
you're not getting
an encore"

A quick word with Russell Kane!

The comic on sports, becoming Beyoncé and pubic lice!

➔ **Hi Russell! What's the best way to pull at a Christmas party?**

Trawl the stand-up circuit for years, performing for free, then get a TV commissioner to give you a TV show. Then get drunk and attempt to cop off with the prettiest girl there.

Do you have any office Christmas party horror stories?

My old office boss enforced a fancy dress code each year. One year, we had a boat arranged and thought we'd escaped it. Then he pulled out a bag of props. What a b*stard! Also, it's hard getting stains out of a giant reindeer suit!

What are you looking forward to this Christmas?

Three days off work followed by meat poisoning.

Who would you like to kiss under the mistletoe?

Well, I have a new girlfriend. Hopefully, we'll make love so enthusiastically, we'll knock the angel off the top of the tree!

Can you really laugh someone into bed?

Yes! I'm only 5ft 10 – 6ft 5 with my hair up – and I'm the

"It's hard getting stains out of a reindeer suit!"

Russell Kane

"But, officer, I'm deeply in love with this cash machine!"

definition of average. If I can do it, anyone can.

How long does it take you to do your hair?

I can go from bed to out inside 40 minutes. The guyliner doesn't go on every day – that's all for stage or TV.

Do you feel under pressure to be funny all the time?

I don't have an on-stage persona and my stories aren't made up, so as long as I have a pint, I can arse around.

How are you going to top what you achieved in 2012?

I've done everything I wanted to do. I've won a Perrier [Edinburgh Comedy Award] and I got my own show. Next year I just want to make all my projects better.

John Bishop did his 290-mile charity challenge. David Walliams did the swimming. Can you top them next year?

I hate sports. The only bit of the Olympics I watched was the opening ceremony because it was like a big theatre show. I've no desire to know which bloke can chuck a bit of metal further than the next. However, I could do a dancing challenge. I became Beyoncé for Comic Relief!

Would you do *Strictly* then?

I'd love to! If I was asked, I'd definitely do it, though I'm not sure my profile's high enough – even if Tracy Beaker did it! Last year, I was all like, "No reality shows, no way!" Now, I'm thinking I'd like to dance. Though it depends on the fee!

What's the oddest thing that's happened to you this year?

To go from vaguely noticeable to being grabbed by people. One girl grabbed my nob. That was upsetting. She then spent the rest of the night, while I was on stage, shouting, "Feed me!" I was appalled.

How are you dealing with the female attention now?

I enjoy most of it. When it gets a bit much I say, "You do know I'm just a nobody from a council estate, don't you?" I'm just a nerdy outcast.

What were you like at school?

Anonymous. If a girl so much as looked at me, I'd go off like a party popper filled with Elmlea! I'd love to say to my schoolboy self, "Hang in there and the vaginani will come!"

RUSSELL'S RISE TO FAME!

Russell's stand-up career began in 2004. Before that he worked in an ad agency!

+ 10 Russell Kane funnies!

1 "Britain, an island of people so miserable that if someone smiles at us, we think we're about to be sexually assaulted or stabbed!"

2 "What's the most evil snack imaginable for a vegetarian? Philosophically speaking, it's a Scotch egg because it's got death on the outside and potential for life within."

3 "On a date, you want to present yourself warts and all. Well, maybe not warts. 'Ooh, you want to put some liquid nitrogen on that big one. Either that or a hat!'"

4 "You know romance is dead when your partner farts in the kitchen and you think they're speaking to you."

6 "Never say Expelliarmus during sex. Girls tend not to like the cry of a boy wizard during ejaculation!"

5 "Does anyone really like that initial phase in relationships? When you're too shy to poo at your girlfriend's house. 'There's no poo in me, just Baudelaire and Beaujolais! I don't even have a bum hole. I've evolved it away!'"

7 "I saw a clown doing sit-ups. Funny how things work out!"

8 "Gentlemen. Dating tip. Never begin banter with a young lady by saying, 'Perhaps I might buy a drink with a view to full intercourse.'"

9 "Sex addiction therapy is when a man moves from paying to have sex into paying not to have sex."

10 "Why can't the company that invented Viagra make a De-agra, too?"

Complete this sentence – 'Twas the night before Christmas and all through the house...

...a lady was screaming at her pet pubic louse!

Nice! Finally, do you have a jolly seasonal message for our readers?

A famous philosopher called Schopenhauer once said – and I'm paraphrasing – human beings are cursed because they're always looking in the past, fretting about how awesome it was, or looking into the future and imagining how brilliant it could be. Instead, live in the now! That is, unless your life's really sh*t, in which case, hang in there.

● Russell is on tour with his show, *Posturing Delivery*. For details, see russellkane.co.uk

"Quick, Truman's coming – make like it's a real beach!"

World's biggest indoor pool!

But it's in Germany so the loungers are taken!

WITH SPACE for 400 sun loungers, 6,000 visitors and the world's biggest indoor pool, the Tropical Islands resort in Krausnick, 40 miles south of Berlin, is the go-to place for frazzled Germans in search of, well, a huge

fake resort. The hangar containing it is the world's biggest self-supporting building and it can be found at "1, Tropical Islands Allee". Recently renamed, we presume. Otherwise that would be crazy terrifying German efficiency!

An aerial photograph of the Tropical Islands resort. The image shows a large, winding swimming pool with several thatched-roof huts along its edge. A sandy beach area is crowded with people sunbathing on towels. In the background, a large, dark structure, likely the hangar mentioned in the text, is visible. The overall scene is vibrant and busy.

Tropical Islands facts

- At 360m long, 210m wide and 107m tall, the hangar covers a total area of 66,000 square metres.
- It's so big, you can fly a hot air balloon inside it.
- It could fit eight full-sized football pitches.
- The Statue of Liberty could fit under its roof.
- It also holds the world's largest indoor rainforest, with 50,000 plants over 10,000 square metres.

An inset aerial photograph showing a dense, lush green rainforest. A winding path or stream cuts through the trees. In the background, a large, curved swimming pool is visible, similar to the one in the main image. The scene is framed by a red border.

WELL, ONE thing's for damn sure,

the Venezuelan Air Force won't forget its 92nd birthday in a hurry. In the middle of a big old show-off stunt to celebrate this landmark year, one of their Chinese-built Hongdu Karakorum-8 jets got into "difficulties", as we believe they call it.

Cue the pilots frantically ejecting just metres from the ground and the jet meeting its maker in an exciting fireball situation. Both pilots survived with just light bruising to their undercrackers.

272mph Veyron killer!

Meet the Hennessey Venom GT2. It eats Bugattis for breakfast!

- The Hennessey Venom GT was basically a Lotus Elise that Americans bullied 1,200bhp into. The GT2? Similar, only with 1,500bhp. Oh, and better headlights.
- It's hard to imagine why Hennessey owner John Hennessey felt his 1,244bhp Venom GT was in need of additional grunt. But here it is: 1,500 unsubtle American horses achieved by a 7.0-litre turbo V8 that started life in a Corvette. Born as a Lotus Elise, the Venom's chassis is made in Norfolk. The engine is born in Texas and the whole thing is reportedly assembled at Silverstone, Northants.
- The Venom GT2 now wears dihedral doors (like the McLaren MP4-12C) and some revised headlights. The front lip and bonnet are updated, and the mirrors have been through surgery after wind-tunnel testing. It keeps the original's active rear wing for optimal downforce, though. You'll need it when your right foot kisses the mat.
- Unlike many US motors, it has a manual gearbox as standard, but a seven-speed paddle-shift is an option at £102,000. That's the price of a Porsche 911 Turbo!
- The original GT was already known as the "Veyron Killer" since it can hit 200mph almost ten seconds faster than the Bugatti. The GT2 promises to, well, kill the Veyron a bit more, as 0-62mph will drop from 2.5 to a squinty-eyed 2.2 seconds. Before heading on to 272mph.
- Unless you count Russian space shuttles and fireworks, there aren't many vehicles out there with a power-to-weight ratio of more than one bhp-per-kilogram. On that basis it's easier to forgive Hennessey's crazy asking price of over £778,100.

His fellow escapees will no doubt have him on soap-dropping duties for the next month or so!

"Guards! Funny story! I was putting up a picture and..."

It was a night of free "romance" for half the inmates

Driving dogs!

Woof-woofs get behind the wheel!

➔ **THIS IS** how it starts. One day they're barking at parked cars, the next they're learning to drive. Soon dogs will be our evil overlords, getting us to fetch their sticks! But until then, enjoy this tale of a New Zealand charity which is teaching stray dogs to drive to prove how intelligent canines can be. It took just eight weeks for the woofers to master modified controls on extension levers. And by week three, they could park better than most women! Sorry, mum. Only joking.

I'm going to a fancy-dress party on New Year's Eve and would like to get lucky. What will look great but still be a surefire way to get a girl in the sack?

MITCH via email

I don't think it matters what you wear. The girls will be in a party mood, with an excuse to dress sluttily. Charming a girl for the countdown is pretty easy. Practise your dancing, make confident eye contact, and hold waists. Suggest two girls kiss at midnight. They'll get excited and try to impress you with similar acts later.

STI is a turn off

The girl I just started seeing has told me she has chlamydia from a previous chap. She's ace but this has put me off sex with her. How can I get over it?

IAN Roehampton

LETTER OF THE WEEK!

Key to the back door?

I read in a ladies' magazine that exploring the rear area can drive a girl wild. How can I introduce this into the bedroom without freaking my girlfriend out?

TOM Chester

Introducing something new can be done by persuasive body language. Verbal communication is normally a first priority, but sometimes, talking about things can kill spontaneity. Give her a body massage with baby oil. When you reach her buttocks, softly move them apart in circular motions, dribble more baby oil and include her thighs. Don't rush. She'll let you know what she wants.

This is a decision only you can make. Either you get over it and move on. Or very soon, this girl is going to want sex and someone else is going to

give it to her. If she's special, don't give up so easily. Perhaps go and have a sex check-up together and you can prove to her that you're clean yourself.

I'm hot for mum's mate!

I have a really weird crush on one of my mum's best mates. She's not that fit but I picture having sex with her whenever I see her, and it really turns me on. I swear she fancies me back!

JAMES Darlington

She might have a crush on you but are you sure you could impress her in the bedroom? Mature women are a lot more experienced and dominant, so how would you dominate her? Aside from all that, if she's your mum's best mate, you shouldn't even be thinking about this. Take a cold shower!

JOKE OF THE WEEK!

Wise after the event

ON THE first Christmas in Bethlehem, the three wise men step inside the stable to see the new son of God asleep in the manger.

The first wise man steps inside the doorway but sinks his slipper into a pile of manure.

"Jesus Christ!" he yells.

The woman standing next to the manger turns to her husband and says, "Now, Joseph, isn't that a better name for the kid than Keith?"

PETE Beverley

Court in the act!

A MAGISTRATE in court asks the defendant what he's charged with, and the accused replies, "Doing my Christmas shopping too early."

"That's no crime," says the magistrate. "Just how early were you doing this shopping?"

"Before the shop opened," comes the reply.

The wrong direction!

A PRIEST is making his way to see a parishioner on Christmas Eve, but has to stop off on the way to post a parcel.

Seeing a young boy in the street, he asks him for directions to the nearest post office. The boy directs him and the priest thanks him, adding, "If you come to church this evening, you can hear me telling everyone how to get to heaven."

"I think I'll give your sermon a miss, thanks," the boy replies.

Startled by the boy's abruptness, the priest asks the boy why he won't be attending. The boy replies, "Well, if you can't even find your way to the post office, how do you think you're going to lead me to heaven?"

Train pain!

A STATION master gets a knock on his cabin late on Christmas Eve.

"Who's there?" he asks.

A voice says, "King Wenceslas!"

Thinking it's a Christmas prankster, the station master tells him to go away.

The voice shouts again, "King Wenceslas!" The station master puts his head round the door to see a man in a panic.

The man says, "F**king Wenceslas train home – my wife's going to kill me!"

1 'My leg was totally crushed!'

ADAM SALTER London

Hi Adam! This was a nasty one. What happened?

I was working with a hydraulically lifted stage for a theatrical production of *The Lord Of The Rings*. Suddenly, my leg became trapped between two sections of the stage. The pain was so indescribable, my body shut down. My leg looked like something from a butcher's shop!

How does it feel to have the year's grisliest injury?

It feels amazing now. It's great to have won, even though I had to almost lose a leg to do it!

What did you make of this year's competition?

It's been stiff. I've never been one to look away from gory pics, and when I entered mine I didn't think I'd ever win. But I love the page so I thought I'd give it a go.

Thanks Adam! Finally, what will you spend the £1,000 on?

I'm going to get the puppy I've been saving for. I think we might even call him *Nuts*!

The background is dark with some string lights visible on the left.

Vs the Nuts Question Bucket!

The posho funnyman takes on an extra-festive probing!

THE RULES

are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Have you been nice or naughty this year?

I've been a good boy. I was given a pair of Ugg boots in a goody bag at an awards ceremony and as I walked out I handed them to a tramp.

Will you have a really posh Christmas goose this year?

Er, no. My real upbringing was like Channel 4's

Top Boy. I just put this on as an act. You know how some black people insult each other by calling them a Bounty – white on the inside? I'm black on the inside, like a Mini Egg.

Are you looking forward to becoming a permanent fixture on sporting comedy panel show *A League Of Their Own*?

Yes. I'm really hoping for the transfer when I get sold from Team Blue over to [Jamie] Redknapp so I can sit closer to him and violate the restraining order he has on me.

If you could pull any cracker in the world, who would it be?

I should say my girlfriend but given the opportunity, Cameron Diaz when she was in *The Mask* in 1994. I was six in 1994. I don't know if I could have satisfied her.

What's been the most surprising thing you've read about yourself in 2012?

That I'm set to star with James Blunt in a sitcom written by Hugo from *Made In Chelsea*. I had no knowledge of this until I read about it in a newspaper. I have no intention of doing this!

If Quality Street were suppositories, which shape would be left in the box?

The toffee penny is like eating steel, so it wouldn't bend. The thin one would be first and then the toffee penny would remain in the box.

Who would you say is the best comedian to get drunk with?

Me and Kevin Bridges prank call people when we get drunk. Kevin has an amazing range of

voices. Greg McHugh from *Fresh Meat* goes into the character of an old, gay, thespian actor when he gets drunk.

How would you beat a reindeer in a fight?

I'd put lots of coats on his antlers so he couldn't see, then I'd jab him in the neck. I've watched Bear Grylls kill a reindeer, rip out his still-beating heart and eat it. YouTube it! He says, "It's a great source of protein." He always says that. He could be eating snow and he'd claim it's full of protein.

What if mince pies could feel pain?

I'd stop putting my d*ck in them and revert back to McDonald's apple pie, which, out of all the pies, is the one that's designed perfectly for that. You just lop off the top.

Who's the most famous person you've kissed under the mistletoe?

Probably James Corden, and Joe Thomas from *The Inbetweeners*. Corden means it – there's an intensity in his eyes. Kissing Joe Thomas is like kissing a corpse. ▶

"Urgh! It feels like a string of plastic willies!"

"...the long face! Eh? Why's a horse in a bar in the first place?"

How do you keep your hair so scruffy yet your beard so neat?

I cut my beard and my own hair. I do it in the mirror above the sink. Every time my flatmates go to the sink, it looks like SuBo's ring piece.

"First the tree *then* the lights? Oh..."

POSH COMIC!

Nuts

Which is the best - being a teacher in *Bad Education* or being a student in *Fresh Meat*?

Being a student 'cos you get to go to foam parties. I'd like to be a teacher. I'd be one of those odd art teachers.

XMAS HOLLY

It's Holly!

Introducing a 32D fittie
with a fantastically
festive name!

**“I love my boobs.
They’re such a
great shape!”**

Hi Holly! How have you enjoyed your first *Nuts* shoot?

I loved it! It was amazing – I felt so sexy. I loved

the knickers with the raunchy stripes on the back.

Are you feeling festive?

Yes, so much! I love the lights especially. It felt a little bit outrageous having fairy lights wrapped round my boobs.

Do you have a sexy Xmas outfit?

Yes, I definitely plan to be naughty this Christmas. I love my suspenders and stockings – I might even wear them around town!

What's the cheekiest thing about you?

I have a Madame Massage outfit – it's a pink, rubbery material with a tiny skirt and lots of cleavage. I also have a nurse's outfit, of course. Dressing up makes life so much more fun.

Do you always get lots of male attention on a night out?

Lots, but it's usually all good-natured. Guys just want to have a look or come over and say hello. I like letting men look but not touch.

You're new to *Nuts* – what would you say are your best features?

My boobs. They're such a great shape and size. I love my body – I have really big boobs but a skinny waist.

What do you look for in a bloke?

He has to have tattoos, and be a man's man. I like a guy in jeans, nice trainers and maybe a smart hoodie. I'm not into guys who wax or use fake tan.

What's your biggest turn-on?

I love having my neck kissed. That's absolutely amazing.

Great to meet you, Holly!

Finally, what one thing should people know about you?

I was born in Sweden but raised in Preston. I like to think I've inherited the best bits of both!

Nuts REVIEW OF THE YEAR!

DANNY HOWARD
RADIO 1 DJ!ROSS KEMP
TV TOUGH GUY!

It's been a big ol' year, so we joined four famous types to digest the best bits over a festive feast!

Hello chaps! Let's start with the Jubilee. How did you celebrate 60 years of Her Maj on the throne?

Max: I was in a beach hut in Brazil, not as an anti-monarchy sentiment – on holiday. So I missed it. But I like the Queen. I thought about her when I was swinging in my hammock.

Danny: It was great. We might not think it's a big deal having a queen but in America they always ask me, "Have you met the Queen?" They love her more than we do!

Ross: I got asked to co-host four hours of boats going up and down the Thames. My goodness, it was too long. The amount of alcohol that was being consumed, I'm surprised

more people didn't come down with bladder infections like Prince Philip. The old boy knows how to party!

Max: I think he should have picked a better body part to have a problem with.

Mick: Like heartburn or a headache.

Danny: I don't want to accuse the Royal Family of faking it. I don't want to be beheaded.

There was also the small matter of the Olympic Games in the summer. They were a bit of fun, weren't they?

Danny: It was amazing. The Queen parachuting into the stadium was the best bit.

Max: We recreated that for Soccer AM, except we couldn't afford the helicopter. The interesting thing was the number of times you went, ►

"I didn't even know that was a country. I just thought it was a collection of letters."

It got to "G" for "Great Britain", then it got as far as "U" and I still didn't see them. Did her and Daniel Craig come out last? The electricity had gone off in my beach hut by then.

Mick: The Olympics brought a tear to my eye when we won something. It gave me a right lump in the throat.

Max: What's really amazing about it is these athletes have to get everything right at one specific moment. The pressure must be absolutely unbelievable. Greg Rutherford must think, "I've got to get my longest jump ever on this particular day. It doesn't matter if I manage it every week for three years and 11 months. I have to do it at this moment."

"If England played north Brazil, they might win!"

Ross Kemp

Danny: The athletes work all their lives for that moment. I know Max practised being a presenter in front of the mirror for years, and now look at him.
Max: It's true. I win a lot of Grammys and Oscars in front of my mirror.

Do you think Team GB's achievements made the Euros look a bit pants? Should England just give up on footy now?

Max: Absolutely not. But we should go out and try to play

football. I reckon Roy Hodgson looked at the squad and thought, "The only way we're going to survive is by not doing any attacking whatsoever." It was depressing. I'd rather lose to Italy 7-0, trying to play football. We need to start from scratch. England are a quarter-final team. That's all we've been since 1966. We think we're the only country that plays football. It's such nonsense.

Danny: Just because we invented football, we think we should be amazing at it.

Mick: We invented cricket as well.

Ross: We should have a British team. They did it in the Olympics – why can't we do it in the Euros and the World Cup? How can we expect to compete when we divide ourselves into four?

If they went, "You're going to play Brazil tomorrow, but you're only going to play north Brazil," we might stand a chance.

Should they have introduced some more British events to the Olympics that we'd have been really good at, like darts or shopping trolley traffic-cone slalom?

Danny: More snooker!

Max: Queuing!

Ross: We're never going to win as many medals as the Chinese or the Americans. It used to be the Australians, but per head of capita we won more medals than anyone else. So we don't need darts.

Max: Us British are so brilliant at putting ourselves down about how useless we're going to be. Actually, we're quite good at stuff. We should be proud.

It was a difficult year for the younger royals, with both Harry and Kate having their "crown jewels" in the press. Come on – who tried to Google a cheeky look at the royal boobs?

Danny: I wouldn't like to admit I was looking, but I was curious. When something like that comes out in the news, I'm sure everyone becomes curious.

Mick: She's certainly a good-looking girl. She came to the Sugar Hut when it was in Fulham. William and Harry have been there as well.

Max: Did they have to queue?

Mick: No. There were only a couple of hundred people there. They've all been in on a few occasions!

Who saw that Felix Baumgartner bloke do that unbelievable parachute jump?

Max: I watched it live. It was totally mesmerising.

Danny: Where were you this time then?

Max: I was in my living room. You couldn't breathe with

"Baumgartner nearly took the edge off my bolognese!"
Max Rushden

this dude going, [does rubbish Austrian accent] "Check 31. Open door." The amazing thing was it could have gone wrong. He started spinning and everyone was going, "This is really bad, he needs to right himself or he'll fall unconscious and die." I thought, "I've got friends coming over for *The X Factor* and *Downton Abbey*. I don't want to see someone die – it's going to take the edge off my bolognese."

Have any of you done anything as insane as Felix?

Max: I did a bungee for the Soccer AM Christmas show a few years ago with Tubes dressed as the Grim Reaper. It was terrifying.

Mick: I've parachuted a few times but the scariest thing was in this giant water park in America. It was a near vertical drop and as you're getting ready to go, the floor suddenly disappears.

Danny: I've been on the big rollercoasters in Blackpool. The Radio 1 studio's eight floors up – that's pretty high.

Ross: I crash-landed in a helicopter. We were trying to find a lost tribe. These people were eating people up until 1980. The director went, "Can you see if the tail rotor's going round?" The helicopter started oscillating

and I looked down and all I could see were crocodiles and snakes. That was a very long half-hour, waiting to be rescued.

Well, that brings us nicely onto the big blockbusters of the year. *Batman vs Bond* – which was best?

Mick: I was very fortunate to go to the Bond premiere, so I'll say that.

Danny: Did you meet Daniel Craig there?

Mick: He walked straight past me.

Max: I watched *Batman* in a small town in Colombia. Three quid to get in. Four quid for a packet of M&M's. They could have made more of Tom Hardy in *Batman*. I thought Bond was great.

Mick: I like that Bond came back to Britain. It was one of the best Bonds by far.

Ross: Bond is a fantastic British hero but Batman was my hero when I was growing up. I'll say I prefer Bond. You can't trust any bugger dressed up in a rubber mask, can you?

What are your big predictions for 2013, gents?

Max: I think Cambridge United are going to get into the Football League and win a game. I'm looking forward to 2016 when they get into the Premier League.

Danny: In April, I'll have been on Radio 1 for a year.

Max: You're counting your chickens, aren't you?

Danny: Even if it's all over, it'll have been a brilliant year.

Mick: I'm looking forward to opening my hotel and expanding the brand.

What would happen if you all swapped jobs in 2013?

Mick: Me doing all Ross' adventure stuff and that? I wouldn't really want to do it, to be honest with you.

Max: Maybe you'd make it *Mick Norcross In Basildon* and play it safer? I actually had an audition for Radio 1 five years ago and I didn't get it. Now I've got a bit of grey hair, I'd take *Dance Anthems* and slow it down a bit, maybe put a few acoustic sets on.

Ross: I'd like to go and work in the Sugar Hut. I don't think I'd change much, though. Have you seen Mick's gold watch? It's worth more than my car! ✕

of the year!”**

Lucy Pinder

Happy Christmas, Lucy! How are you enjoying the shoot?

It's awesome!

I become so excited around Christmas time. The only problem is this fake snow. It's like little shards of plastic and if you breathe it in, it stings. I don't want it to ruin my Christmas.

Does Christmas make you feel extra sexy?

I'm not even making this up – Christmas is by far the sexiest time of year. I love all that snuggling up by the fire, enjoying being around people you love, with a little flush in your cheeks. It also gets dark earlier and there's always something a bit naughtier about night-time.

Do you believe in Santa?

I remember one year leaving out some sherry and a mince pie for Santa and a piece of paper, reading, "Santa, please sign this if you're real." Ha-ha! How sad is that? It's amazing when you're little, one year you believe in Santa, then suddenly you're an adult and you don't.

Well, we still do actually. So, what's the least you've ever spent on someone's prezzie?

Me and the Nuts girls have a £5 Secret Santa club – the idea being you can only spend a maximum of five quid on each other. I got this very static, highly flammable scarf one year that kept giving me electric shocks.

Nice! Do you have any Christmas gift tips for blokes?

I'm seriously easy to please, really – I don't ask for much. I love the Dior Poison fragrance at the moment.

What would you like to find in your stocking this year?

A SodaStream! I always wanted one so I could make my own drinks. I didn't ►

even care that all the drinks I'd make would be disgusting, I just wanted to watch them get fizzy! I still don't own one.

Tell us about a typical Lucy Pinder Christmas Day...

I wish I were like Nigella Lawson at Christmas. She's my idol. I love to do all the cooking, actually – I'll usually be wearing a short skirt, high heels and a little pinny.

What's the one Christmas film you watch every year?

I'm always sat in front of silly cartoons or cute things like *Wallace & Gromit*. I pretend I'm putting them on for my little nieces, even though they'd actually want *Peppa Pig*. I tell you what I don't watch – *Home Alone*. What an annoying kid! That's probably the reason they left him behind. Ha-ha!

How drunk do you get over Christmas?

I'm predominantly drunk on Christmas cheer! I don't get hammered and sleep through the whole day or anything. It's such a waste to get so drunk on Christmas Eve that you miss everything. I mean, I've been looking forward to it for months, why get so drunk I can't remember it?

How good a year has 2012 been for you?

Well, it's been incredible. I've won both the *Nuts* Hottest Topless Babe and the *Nuts* Sexiest Babe. How on Earth did that happen? I'm so lucky *Nuts* readers have supported me – each time I throw open the magazine it's stuffed with the most beautiful, sexy women, yet they still want me hanging around. Result!

Will you be wearing Christmas stockings?

Yes – well it is a special occasion, isn't it? Seriously, I like to dress up for Christmas – I like to add some extra spice to the day. Best heels, nicest lingerie set and a set of black hold-ups. Merry Christmas! ►

**“Christmas is
special. I like to
dress up!” Lucy**

Rosie Jones

H i Rosie! We like your sexy Christmas outfit! Thank you, Nuts! I love the sexy Christmas look.

I don't normally have anything that Christmassy, but I do have lots of lovely red undies. I don't have anything with pom-poms or reindeer antlers on, though.

What will you be up to on Christmas Day?

It's more than likely that I'm going to be stuffing my face while wearing my Minnie Mouse onesie. But you can rest assured that there'll also be lots of drinking and being silly.

Do you love a boozy Christmas?

Last year was the worst. I don't remember most of Christmas Day – I was too drunk from the night before! I had one mouthful of Christmas dinner and then gave up – Mum stood over me, trying to force it down. There were tears.

What's your Christmas routine?

I always get up super-early, even when I'm drunk. Last year, I was leaping about singing Christmas songs, then crashed out by midday!

What's Santa bringing you?

A Kindle. I lost my last one because I left it on a plane. I'll take better care of this one, Santa. Promise!

Do you have any saucy Christmas lingerie-buying tips?

OK, nothing red – red is always tricky for girls to wear. A safe bet is something black and lacy, maybe with some stockings.

How could a guy make it up to you for buying a rubbish present?

By cooking me the best Christmas dinner in the world. I'm not really that materialistic, though, so as long as he'd remembered to buy me something, I'd let him off. Happy Christmas, Nuts! ►

India Reynolds

Hello India, and Merry Christmas! Happy Christmas, Nuts! Me and Rosie had a snowball fight!

The fake snow was impossible to get off and we looked like we had old man dandruff.

Have you been a good girl?

Hopefully, Santa hasn't seen my nights out with Holly and Rosie. Too much naughty behaviour – being told to behave in nightclubs, falling over in the street, being thrown out of taxis for being too outrageous!

Could you eat a whole Terry's Chocolate Orange in one go?

Yes! I eat so much junk. Me and Rosie want to do a "Girls vs Food" show. Me and Rosie – in our smalls – eating loads of doughnuts. I want to take on the guy from *Man vs Food*!

Do you have a sexy Christmas outfit?

A little red bra and matching panties, with Santa trim around the edge, and a cute Santa hat, finished off with really high Louboutin heels.

What advice would you give a bloke on buying naughty undies for a special lady friend?

Go through her drawers and make sure you have the right size. Also, look at where she buys her fanciest stuff from and buy from there in that size. Sizes vary across brands.

What's the best cracker joke you've heard?

"Why did the pie cross the road? It was meeting potato!"

Oh dear! Finally, which Nuts babe would you love to find under the mistletoe?

Holly Peers – she's basically my wife. We always go out, have sleepovers and generally just love each other. ►

Holly Peers

H i Holly! What's the best thing about the festive season?

Being merry!

Last Christmas,

I went out to the local and got very tipsy indeed. I ended up stumbling home and reheating some takeaway leftovers in the microwave. That's not very festive, is it? Ha-ha!

What's the best thing about the *Nuts* Christmas shoot?

I'm a bit of a Scrooge, actually, but as soon as I'm on the *Nuts* shoots, I just lose it. I love all the snow, trees and decorations – it feels really magical. Even the photographers have Christmas hats on, and we get the Christmas tunes on!

Do you have any Christmas traditions in your house?

Yes! There's no other time of year when I'll buy and drink a bottle of Asti Martini. It's nasty £4 stuff, but on Christmas Day, me and my mum stand there drinking it while she cooks dinner.

Do you have a sexy Christmas outfit?

I wish I did! I'm single right now so I can't really slouch around my mum and dad's in a skimpy festive outfit, can I?

Which *Nuts* girls would you most like to get frisky with under the mistletoe?

I already have! I had a little smooch with Rosie this year. We get a bit carried away doing these shoots and the photographer is always there to grab it! It was weirdly quite hot.

Wow, you don't say! Well, Happy Christmas, Holly. Finally, then, what's your favourite Chrimbo chocolate?

I eat all the strawberry ones out of the big Roses tin, then all the green triangles out of the Quality Street. Then I pass out. Happy Christmas!

Misfits

E4/HD • 10pm

It's the last in the series of the "if-superpowers-were-spread-around-the-Jeremy-Kyle-set" themed comedy drama. Rudy has his sights set on a new girl, but when he realises she's harbouring a dark secret, things kick off. Blokes dressed in bunny costumes, apocalyptic-type stuff... Yeah, we're just as confused.

It's the end of an era this week as Jeremy finally agrees to leave the flat and shack up with Super Hans. This film is every man's rite of passage. It's got Brian Blessed with a superb beard, Ming the Merciless and his amazing strokey goatee, plus all-American Flash!

UP

BBC ONE/HD • 6.30pm

Probably the saddest yet most sentimentally touching Pixar effort yet. We might be men, but we did shed a tear.

"This bubblegum's rubbish"

Southampton vs Arsenal

SKY SPORTS 1/HD • 5.15pm

Ordinarily you'd back the Gunners in this one, but the Saints are starting to show they've got a bit of steel in their spine at precisely the same time people are starting to wonder – loudly – whether Arsene Wenger's time at the Emirates may be up.

★★★★

"Lizard again then. Gave me terrible wind last time"

David Attenborough's Galapagos

SKY1/HD • 7pm

The Galapagos Islands in the Pacific are noted for their huge variety of wildlife. And who better to tootle down there than Sir David? Well, we wouldn't mind, but he's your man.

"Those January sales crowds are harsh!"

Sherlock Holmes: A Game Of Shadows

SKY MOVIES PREMIERE/HD • 8pm

Robert Downey Jr and Jude Law are back on the bromance as they hunt down Moriarty. Not forgetting to pick up a gypsy and a hot ginger along the way. Good, if a bit confusing.

★★★★

"My shoes are going to be ruined after this!"

Robin Hood

CHANNEL 4/HD • 9pm

Russell Crowe and Cate Blanchett star in an adaptation of the classic tale. Crowe seems to have a penchant for roles that involve swinging some kind of ancient weapon around, but this falls a severed limb short of *Gladiator's* appeal. Decent lounging-around-in-your-pants-hungover on New Year's Day viewing though.

★★★

"Come on! Where did you hide my giant lemon?"

Charlie Brooker's 2012 Wipe

BBC TWO • 10pm

In many ways, 2012 was a great year for Britain, what with the Olympics, Diamond Jubilee and the continued existence of booze, footy and hot women. But you can rely on Charlie to find something to humorously rant about. Find out precisely what here.

★★★

"See? A fat bloke in a red hat and beard eating the mince pies!"

The Sitter

SKY MOVIES PREMIERE/HD • 10.10pm

Jonah Hill stars in this silly comedy about a college dropout coerced into babysitting three awkward kids by his mum. Of course, the babysitting goes terribly wrong, resulting in a mentalist drug dealer hunting them down, massive amounts of cocaine going poof, and a fantastic bar fight.

GAMES OF THE YEAR!

Well, that's one way of marking
Peter Crouch...

DISHONORED

PS3, Xbox 360

Wafting into the games industry like a breath of fresh air, *Dishonored* got pretty much everything right. It looked absolutely incredible, both

graphically and – with its impossibly cool “steam punk” look – artistically. With pitch-perfect stealth-based gameplay and the ability to use magic alongside traditional weapons, the result was a joy to play and look at. ★★★★★

MAX PAYNE 3

PC, PS3, Xbox 360

Peerless, slo-mo shooting, a complex lead chap and an artfully drawn Rio made this booze-ridden opus one of the year's best. ★★★★★

BORDERLANDS 2

An exercise in utterly bonkers, post-apocalyptic action, no game could touch *Borderlands* for silly, gleeful, gaming thrills. ★★★★★

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'A very texty XXXmas!'

LAST YEAR, my boyfriend got called into work on Christmas Eve, much to my disappointment. From the moment he pulled out of the driveway to the moment he drove back in that night, we were sending naughty texts to each other. The first one from him said: "At work having very rude thoughts about you being bent over my desk." I started sending various close-up pictures of myself to him, beginning with hints of my cleavage, then the inside of my thighs and a few shots of my nipples. Then the pictures got a little bit raunchier. I doubt he got a lot of work done that day and as soon as he got home, we had the kind of totally hot sex that only comes after eight long hours of anticipation. It ended up being the best Christmas present ever!

straight away. I started rubbing my hand on his knee and immediately felt a rise in his trousers. I unzipped him and took his throbbing c*ck in my mouth. He came really quickly and I sucked him dry. We both finished watching the movie grinning at each other, and promised to meet up again on Christmas Eve. That was a great way to end the year!

Lucy via email

'He loved my Santa suit'

MY BOYFRIEND loves Christmas, and he loves it even more when I dress up as Santa's little helper. Last Christmas, I wore a tiny red dress barely covering my rear, red stockings, red heels and, of course, a Santa hat. As soon as I walked in through the door, his mouth fell open as he saw me dressed up, and I instructed him to sit in the corner and watch my show. I gently touched myself and then started to rub between my legs. I pulled my thong to one side and slid a finger in. He squirmed in his seat, and soon had his stiffy out and was playing with it. Before long, I was bent over the couch with him taking me from behind. My hat stayed on throughout, unlike the rest of my outfit!

Michelle London

CONFESSION OF THE WEEK!

'I put the rude in Rudolph!'

LAST WEEK, I went to my work Christmas do dressed as a sexy Rudolph. A guy I fancy was there dressed as an elf and looking hot, and after some dirty dancing, he soon had his hand up my dress. I was getting so turned on, but we had to leave. It was raining so we quickly ran to a nearby underpass. He pinned me to the wall and put his lips to my soaked nipples. I was wearing knee-high socks so it wasn't hard for him to carry on down. I came with my leg over his shoulder, holding his head in my hands. What a party!

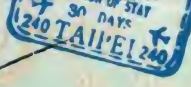

Liz via email

'I gave him an early gift'

ON A trip to the cinema over the holidays, we were late catching our movie so

had to opt for a scary film. Ten minutes into the film, my friend couldn't watch any more and had to leave, leaving me with her male friend. We'd only met once before but there had been chemistry

10 RUDE QUESTIONS!

And a real girl to answer them!

Billie-Olivia

19 Birmingham

1 Where's the strangest place you've had sex?

"I once met a sexy fireman on a night out and he took me back to his fire engine. Thank God there was no emergency call. It was hot enough as it was!"

2 What's your trademark move in the bedroom?

"It's all about having a sexy signature to make a man remember you forever, whether you're with him for ten minutes or ten years. Mine is a cheeky lap dance to heat things up."

3 What turns you on?

"In a woman, I love full, sexy, natural lips. In a man I love muscles, a bit of a tan and tattoos."

4 What's your favourite position?

"I haven't really got a favourite as I like a bit of everything. If I had to pick one, though, it would have to be the reverse cowgirl."

5 Is it better to give or receive?

"At Christmas, it's good to be generous, so I have to say give. But who'd say no to a few cheeky 'presents'? I know I wouldn't!"

6 What one thing would you really like to try but haven't yet?

"After reading *50 Shades Of Grey*, I think anything's worth a try – especially if you're as hot as Christian. The kinkier the better!"

7 Ever got it on with another girl?

"No, apart from when I was younger, messing around at sleepovers with a cheeky kiss. I'm just happier with a nice strong man."

8 What's your role-playing costume of choice? Would you ever wear a Santa one?

"I love to be a policewoman so I can whip you into shape when you've been naughty! I would wear a Santa outfit, as long as it was a sexy one."

9 Have you ever made a sex tape?

"No. If I'm yours, then I'm for your eyes only. Don't share me with anyone!"

10 What's the rudest thing you've done?

"I'm in the mile high club. Remember, boys – lock yourself and your missus in five minutes before landing and you'll both still be flying!"

"I'll try anything. The kinkier the better!"

Premier League half-term report!

Match Of The Day's Jonathan Pearce rates his half-term hits and howlers!

➔ CHRISTMAS HAS come, which means a) the goose has got fat, and b) the footy season is at its halfway point. So how, if you're lucky enough to be a Premier League team fan, is your side faring? *Nuts* asked the game's most academic mind, *Match Of The Day's* Jonathan Pearce, to dish out some marks...

SPEEDY SPANIARD!

"My right arm? It's been locked in this position all day!"

ARSENAL

"Hopelessly inconsistent and falling behind the leading clubs. They won't challenge for honours unless they replace disappointing signings like Gervinho, Mertesacker and Santos with genuine quality. Still, a remarkable achievement in Europe, and Wilshere's return is a plus. Wenger must spend."

Star man: Santi Cazorla

PEARCE'S GRADE

PROFESSOR PEARCE!

Jonathan Pearce's distinguished broadcasting career began on BBC Radio Bristol in 1980.

ASTON VILLA

"Aston Villa worried me in the summer and still do. The manager has long-term plans but has to rely on too many youngsters right now, and results will always be patchy with kids. The Darren Bent mystery has been disruptive. They're in danger of the drop unless they start scoring freely."

Star man: Christian Benteke

PEARCE'S GRADE

CHELSEA

"Deserved high marks until the ludicrous sacking of Roberto Di Matteo after a slight dip in form - without Frank Lampard and John Terry - and then the even more baffling appointment of Rafa Benitez. It's clear Roman Abramovich had little regard for the fans with the choice. But they could still win trophies."

Star man: Juan Mata

PEARCE'S GRADE

EVERTON

"Had a fantastic start before the lack of strength in depth caused them to drop points and draw too often. It's been another brilliant effort from David Moyes and his team, though. They must do all they can to keep Leighton Baines and Marouane Fellaini. If they do, they can finish in the top six."

Star man: Leighton Baines

PEARCE'S GRADE

FULHAM

"Fulham's late autumn winless run raised fears that they'll get sucked into the relegation dogfight. Do they have enough battlers among their new signings to dig out results in the mud and blood? Berbatov is still classy but Rodallega and others haven't filled the boots of Zamora and co."

Star man: Brede Hangeland

PEARCE'S GRADE

LIVERPOOL

"They've been hampered by a lack of strikers and are too reliant on Luis Suarez. But the players and fans are buying into the new manager's beliefs. If they spend well in January, they should finish the season well, beating some of the title contenders on the way, and could have a long FA Cup run."

Star man: Luis Suarez

PEARCE'S GRADE

MAN CITY

"Awful in Europe, and too many stars haven't hit anything like the glorious form of last term, although the defence has been superb. One or two bad apples in the dressing room seem to be poisoning the dream. City have become a Premier League soap opera. Internal strife may end up costing them the title."

Star man: Vincent Kompany

PEARCE'S GRADE

MAN UNITED

"RVP is heading towards the Footballer of the Year title again. Even without hitting top form, United seem capable of scoring for fun. But at the back, they've been awful at times - they need Vidic back. They have to stop conceding first. I tipped them for the title and I'll stick with it. Improvement needed."

Star man: Robin Van Persie

PEARCE'S GRADE

NEWCASTLE UNITED

"The Europa League campaign and injuries have taken their toll on a squad stretched skeletal-thin. Perhaps expectancy levels were too high as well. Demba Ba has been terrific, less so Papiss Cisse. Yohan Cabaye's injury came at a bad time. They'll finish in the top half and go far in the Europa League."

Star man: Demba Ba

PEARCE'S GRADE

NORWICH CITY

"Since early autumn drubbings, Norwich have matured into a durable team. Home wins over Arsenal, Manchester United and Tottenham have showcased their qualities. Manager Chris Hughton has built a solid defensive platform with one of the best disciplinary records around. They'll be safe."
Star man: Sebastien Bassong

PEARCE'S GRADE **B**

QPR

"Far too many signings led to early-season confusion, poor results and the sacking of Mark Hughes. Hughes inherited too many players who aren't good enough for the Premier League. It's been an awful campaign so far. Harry Redknapp will have to perform a miracle to keep them up. I can't see it."
Star man: Esteban Granero

PEARCE'S GRADE **F**

READING

"Brian McDermott insists they're close to becoming a decent Premier League team but results continue to slip away. The defence isn't good enough. They've conceded two or more goals in ten of their opening 17 games, culminating in the pantomime against Man United. I can't see them surviving."
Star man: Jobi McAnuff

PEARCE'S GRADE **G**

SOUTHAMPTON

"They started off like nervy new kids in senior school and the defence stunk as badly as an old PE kitbag. But they might just enjoy the odd playground scrap against their fellow strugglers. Their opening few league games of 2013 are harsh, but if Lambert can get 15 goals, they could still stay up."
Star man: Adam Lallana

PEARCE'S GRADE **G**

STOKE CITY

"The early lack of wins started to raise concerns for their safety but as the chill winds started to blow, their resolve hardened and wins were squeezed out, including a very good result at West Brom. The Britannia has become a ferociously defended fortress. They'll be in the top flight again next season."
Star man: Tony Pulis

PEARCE'S GRADE **B**

SUNDERLAND

"Any team with just four league wins in ten months needs to be concerned. It's clear they need to buy a scoring partner for Steven Fletcher. Sessegnon and others haven't been firing. The defence is top-half quality, but they don't have enough to turn draws into wins. Underachieving – and must do a lot better."
Star man: Steven Fletcher

PEARCE'S GRADE **D**

SWANSEA CITY

"I thought Swansea would struggle after the departure of Brendan Rodgers to Liverpool, but Michael Laudrup made the signing of the year in Michu and simply carried on the good work of last season. I love going to the Liberty Stadium – their football is a joy, but how long can they keep it up?"
Star man: Michu

PEARCE'S GRADE **A**

TOTTENHAM HOTSPUR

"Early dissatisfaction with AVB has been replaced with slow-burning appreciation. They were below par against Wigan but deserved better at Arsenal and Man City. Adebayor has been poor but Defoe has been on fire, and Vertonghen was an astute signing. They could finish in the top three and win the FA Cup."
Star man: Jermain Defoe

PEARCE'S GRADE **A**

WEST BROM

"Steve Clarke has been one of the big successes of the season so far. He's improved on Roy Hodgson's team. They've been difficult to beat and can pack a punch. Recent defeats by Swansea and Stoke suggest the squad doesn't have enough depth to stay in the top five, but it's been a great first half."

Star man: Steve Clarke

PEARCE'S GRADE **A**

"I've got two
turntables and
a microphone!"

"Ha-ha. I have
a Tintin hairstyle.
Very funny"

WEST HAM UNITED

"Big Sam will always make sure the homework's thorough and his team is well prepared for the lessons to come. Kevin Nolan is an inspirational leader on the field and they'll be safe in mid-table, although there may be a few more rocky afternoons to come and they need to resolve the Andy Carroll situation."

Star man: Kevin Nolan

PEARCE'S GRADE **B+**

"Tunnel vision?
No, not me boss"

WIGAN ATHLETIC

"Roberto Martinez encourages fluent football to feet and they'll always create chances. But they play in such an open style that they can be opened up too easily at the back, and teams have worked out their wing-back system. It'll be touch and go again for them to stay up, but I think they'll just do it."

Star man: James McCarthy

PEARCE'S GRADE **C**

"For the last
time, I don't look
like Ben Affleck!"

**TOP OF
THE CLASS!**

Star pupil

Robin Van Persie

"The flying Dutchman could follow Thierry Henry and Christian Ronaldo in winning the Footballer of the Year award in back-to-back seasons. He took no time to settle in at Manchester United and looks lethal. His strikes have kept them in contention at the top. Michu was pound-for-pound the best summer signing, but no one can touch Van Persie for sheer class at the moment."

EXCLUSIVE 1!

Ricky Burns: 'I don't mind a brawl!'

The Scottish fighter talks nerves, hardcore sparring and mystery opponents!

➔ **Hi Ricky! You're defending your WBO lightweight**

title against Filipino Jose Ocampo on Saturday. He's a southpaw – how has that affected your preparation?

It's been fine. I was going to face Liam Walsh but he had a car accident so couldn't fight. Even though Liam's right-handed, he sometimes

switches to a southpaw stance, so I was preparing anyway.

Has the sparring been tough?

Absolutely! Apart from the fact that we wear headguards and bigger gloves, my sparring's always intense. We brought over the likes of Josh Taylor, who fought at the Olympics, and a fighter called Terry Flanagan to spar with me.

Have you seen much of Ocampo in your preparations?

No, we haven't been able to get any footage. We know that he's a very big hitter. Twelve of his 17 wins have been by knockout.

Does your lack of knowledge about him worry you?

No – when I was an amateur, I didn't know much about the

guys I was fighting, I just got in the ring and did it. I'm fatalistic – if I've prepared all I can, then whatever happens, happens.

When you step into the ring on Saturday, do you think the nerves will get to you?

I've been doing this so long that I've learnt to prepare myself, but there will be some nerves. The worst bit is when everyone's been cleared out of the ring, and it's just you, the other fighter and the referee. Then I just want it to start!

How do you cope when someone's really laying into you in the ring?

I've been boxing 17 years, so I have enough mental strength to change my tactics. I've always

been someone who's fought on the back foot and avoided being hit, but these days I don't mind a bit of brawl!

If all goes well on Saturday, who will you fight next?

There's a superb fighter, Adrien Broner, who's the WBC lightweight champion, and we'd have a great fight. But if I don't get past Ocampo, it won't matter – that's why I never look past my next opponent and I don't shout my mouth off!

● **Ricky Burns takes on Jose Ocampo for the WBO world lightweight title on Saturday 15 December, live and exclusive on BoxNation. Coverage starts from 6pm.**

**OCAMPO'S
HOME
COMFORTS!**

Ocampo has only fought outside the Philippines once before, in Thailand.

EXCLUSIVE 2!

Amir Khan: 'I never back down from anyone!'

The Bolton bruiser on the Molina fight, *I'm A Celebrity...* and his ultimate bout!

Hi Amir! How's training going for the fight against Carlos Molina?

Carlos Molina?

Training's been good. It's been a two-month training camp and I've worked hard throughout it. I'm with Virgil Hunter now so I've just been getting used to his methods and implementing them in training. Andre Ward is a great fighter, one of the best, pound-for-pound, so it's great being around champions like that and picking up little things here and there.

What kind of fight can we expect against Molina?

I want to put on a show but I won't be reckless. I'll need to stick to the gameplan, which means moving and using my reach and height advantage. Molina's a tough opponent and he's going to give it his all.

Is the plan to knock him out as quickly as possible or get some rounds in?

You can never go into a fight with the intention of knocking your opponent out because most of the time it won't come. If you stick to your boxing and opening your opponent up, you might get a chance of knocking him out. I'm going to box, use my jab, and if the knockout comes, then great.

Kell Brook is always saying he wants to fight you. Do you want that fight?

Kell has a fight with Devon Alexander and if he gets

through that, it would be a fight that would make sense. I think Alexander is Kell's first fight at world level and it's up to him to show he belongs there. If he gets through it, I'd be up for the fight. I've never backed down from anyone.

Is it true you lost to a girl at karate when you were nine?

Well, I was about eight and in my defence, she was a lot older than me! But that was in training, not in a competition. Afterwards I thought it was best to try my hand at another sport!

If you could fight anyone, past or present, who would it be?

There have been so many great fighters in and around my division, like Roberto Duran, Sugar Ray Leonard and Tommy Hearns. But Sugar Ray Robinson dominated the sport during his time and if I could test myself against

the best ever, that would be a great experience.

David Haye was in *I'm A Celebrity...* Would you ever do a reality TV show?

I'm fully focused on boxing but in the future, you never know. It was great to see David do well and the public take to him – he's a top guy.

Thanks for the chat, Amir! Finally, how would you sum up your 2012?

I think it's going to be a year I'll look back on and think it helped make me ever better. It's not been my best year but the experience I've gained from it is certainly going to help me out in the long run.

● Khan vs Molina is live on Sky Sports 1/HD on Saturday 15 December at 2am, and on mobile and tablet devices via Sky Go.

KHAN THE COMEBACK KING!

The Molina fight will be Amir's first since he was beaten by Danny Garcia in July.

"Siri, why can you not understand ze accent?"

My 2012 Football Awards!

The finest on and off the pitch... and at the barber's!

★ FUNNIEST MOMENT OF THE YEAR ★

JOEY BARTON'S FRENCH ACCENT!

"Joey Barton talking in French-but-in-English during a Marseille press conference was just too much. We all remember when Steve McClaren did it in a Dutch accent – how could we forget? There's a chance Joey was just taking the mickey, but either way, it was hilarious!"

"Hey, Wright-Phillips! See if you can head it out of my hand"

★ MANAGER OF THE YEAR ★

JOSE MOURINHO

"Barcelona were all-conquering in the Spanish League and he went over there to specifically break that monopoly – and promptly did. He says, 'I'm no longer the Special One, I'm the Only One.' Well, he's won the league in Portugal, England, Italy and Spain, so who's going to say he's wrong?"

"Oi! Stop copying my moves!"

★ GAME OF THE YEAR ★

READING 5 – ARSENAL 7

"The Capital One Cup may not be the competition everyone's talking about, but this was a remarkable game of football. Reading battered Arsenal, Arsenal came back at them, it went to extra time... It was mesmerising to see it pan out. It wasn't everyone's idea of a classic but it doesn't half stay in the memory!"

"Woo! Sliding around on the grass is awesome!"

★ DISTRACTION OF THE YEAR ★

WOMEN'S OLYMPIC FOOTBALL TEAM

"I was out in Nevada, sunning myself on horseback during much of the Olympics, but I kept one eye on the football and, even though the men didn't stay in long, I was amazed by the standard of the GB women's team, even more so by how good the Americans were. They're absolutely fantastic!"

"Where did my cocktail shaker go?"

★ DAFT HAIRSTYLE OF THE YEAR ★

MAROUANE FELLAINI

"It seems a little bit obvious giving this to Fellaini but, well, it really is a classic. I wonder if his hair gives him an advantage – I said on *Goals On Sunday* that he's already 6ft 4 but the hair sticks a few more inches on him. And apparently he has a brother with hair just as mad as his!"

"Quiet, please – I'm about to say something stupid"

★ MUPPET OF THE YEAR ★

SEPP BLATTER

"I have to stick with Sepp again because we're still talking about goal-line technology one year on, when it's the most simple thing to engineer. And let's also hear it for his sidekick Michel Platini, talking about scrapping the Europa League and making the Champions League bigger. They're ridiculous!"

He'd overdone the tap-dancing routine again

★ GOAL OF THE YEAR ★

ZLATAN IBRAHIMOVIC

"Lots of great goals this year, but this one takes the biscuit. To have even attempted that, under those circumstances... In no other footballer's mind would the thought have occurred, 'Hey, here's what I could do!' It doesn't matter that it was in a friendly, it's one of the great individual goals."

"Get lost – I'm trying to stand on one leg here!"

★ PLAYER OF THE YEAR ★

SERGIO AGUERO

"Because he gave us the best few minutes of drama I've ever seen on a football pitch. If the end of last season had unfolded in a Hollywood movie, you'd have come out of the cinema laughing – it was the greatest finish to a season ever, pure theatre. And Aguero's a credit to the Premier League as well."

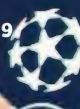

They'd taken parking the bus to a new level

CHAMPIONS!

★ TEAM OF THE YEAR ★

CHELSEA

"They won the Champions League, that's the bottom line. Recent events don't alter my thinking and more importantly, Roberto Di Matteo deserves to be recognised for what he did. You can't erase from the record books the fact that he did that and won the FA Cup in such a small space of time."

BRAD FRIEDEL *SPURS*
Bag of Werther's Originals

Now aged 64 (we may have to double-check this), Brad would be happy to snack on the senior citizen's sweetie of choice. Cheap as chips, too! £1.25, Tesco.co.uk

Premier prezzies!

The gifts that would never stop giving for footy fellas!

➔ **THE BEST** thing about Christmas is, of course, presents –receiving them, obviously, rather than giving them, which costs money. But since we at *Nuts* are such generous types, we thought we'd dig into our pockets and bestow some relevant gifts on some footballing types – and here's what we would have gotten 'em...

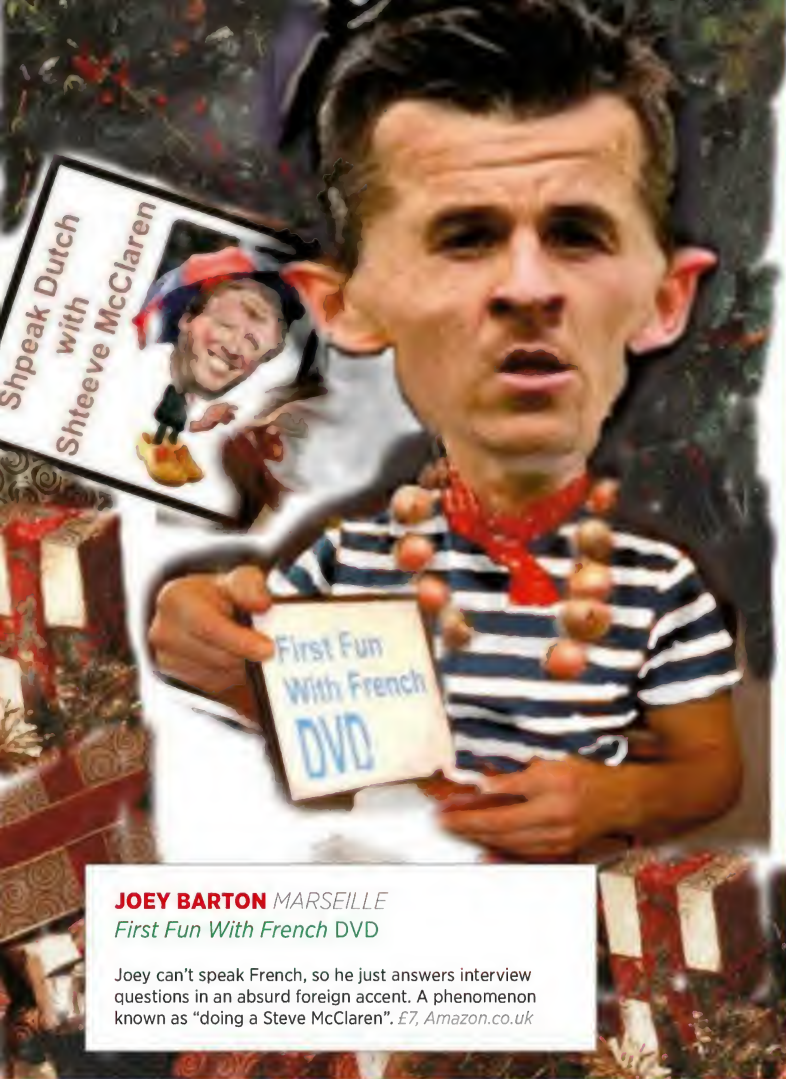

FERNANDO TORRES *CHELSEA*

How The Grinch Stole Christmas

is the highest-grossing film of all time with the word "Christmas" in the title.

Scientists have worked out that **Santa Claus** would need to visit 822 homes per second, travelling at 650 miles a second, to deliver presents to every house in the world.

In the Czech Republic, **Christmas dinner** consists of fish soup, salad, eggs and carp.

Since 1997, 26 people in the UK have died as a result of watering Christmas trees while the **fairy lights** were switched on.

The first episode of *The Simpsons* to air was a Christmas special in 1989.

In Greece, Italy, Spain and Germany, it's a legal requirement for employees to get an **extra month's salary** as a Christmas bonus.

Pub ammo on... turkeys

- The breast muscles on domestic turkeys are too large for them to have sex with each other, so they must breed via artificial insemination.
- The long flap of flesh that hangs over a turkey's beak is called the snood.
- Turkeys have an amazing 360-degree field of vision, and their hearing is so sensitive they can pinpoint sounds up to a mile away.
- Turkeys with stuffing, gravy and pigs in blankets are delicious, so enjoy yours on 25 December!
